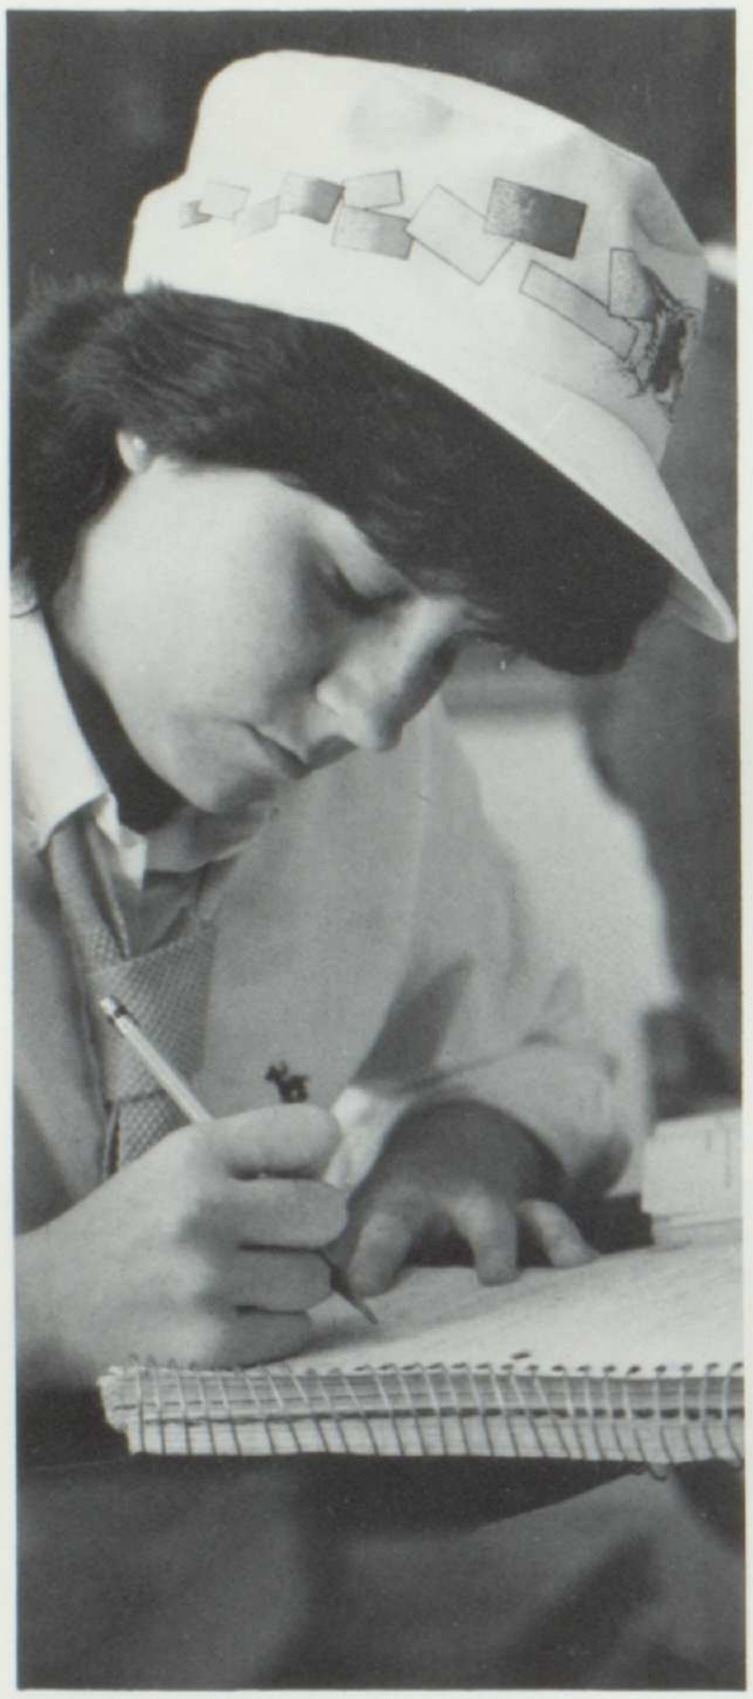
The administration as well as the faculty work hand-in-hand with the curriculum to provide an outstanding academic atmosphere at WHS.

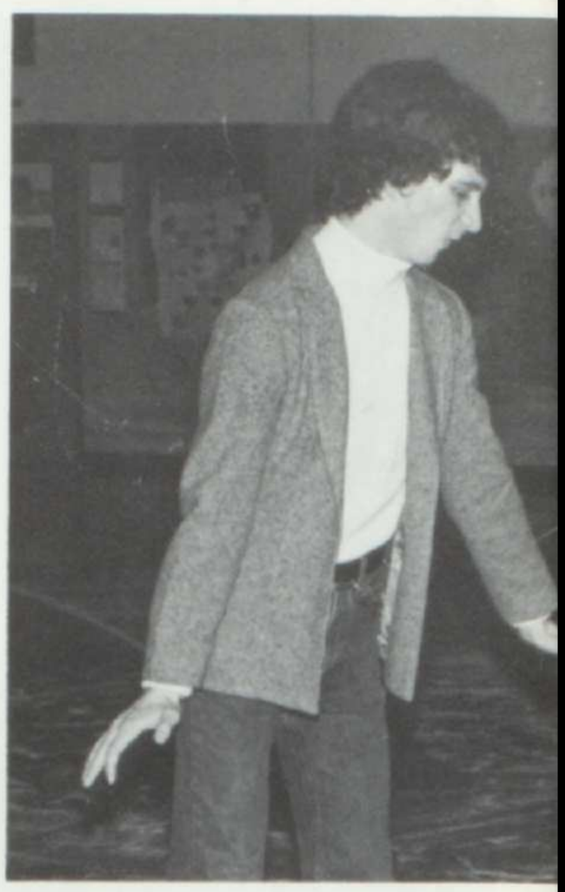
One comment made by many students is the availability of teachers and their willingness to help when needed. Many of the WHS faculty go beyond the call of duty. John Hoffler, WHS principal, ranks first on this list. In between meetings and other duties, Mr. Hoffler is seen in the halls with the students. He estimates that he knows more than nine hundred students by first and last name. Many faculty members are directly involved with the students as club advisors, coaches, and most importantly, friends.

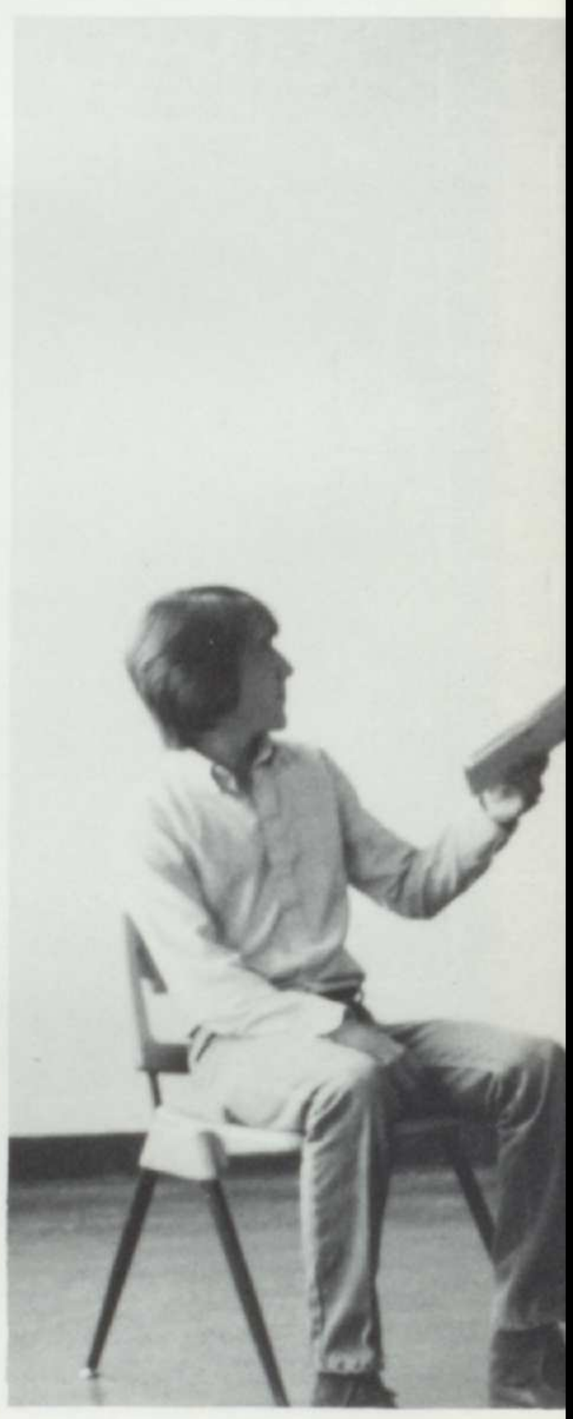
The curriculum at WHS exceeds that of many other schools. Advanced courses are offered in almost every field. The courses allow students who are outstanding in a particular area to continue to broaden their knowledge. Independent courses are similar, but are planned by the teacher and student. The WHS curriculum is designed primarily to be college prepatory, but there are courses for those interested in entering the "real world" immediately after graduation.



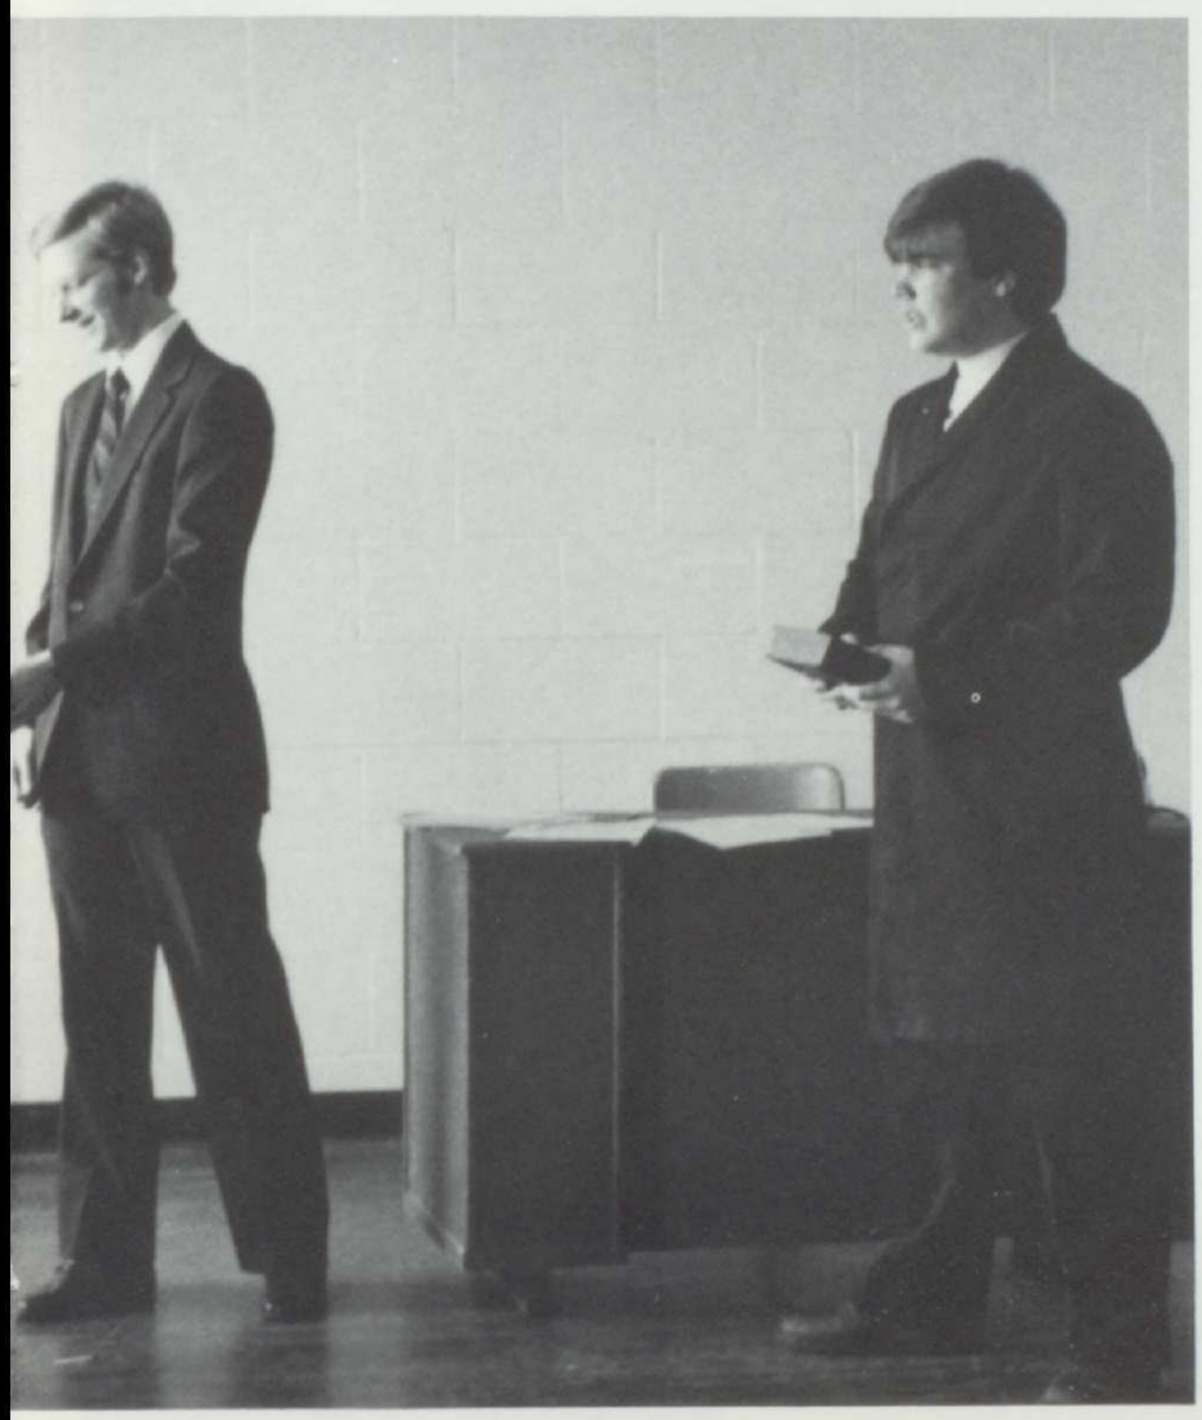
Worthington High School hosts one of the finest academic programs, prides itself in its extra-curricular activities and functions very well within the three campus program; however, the students make the whole system shine.

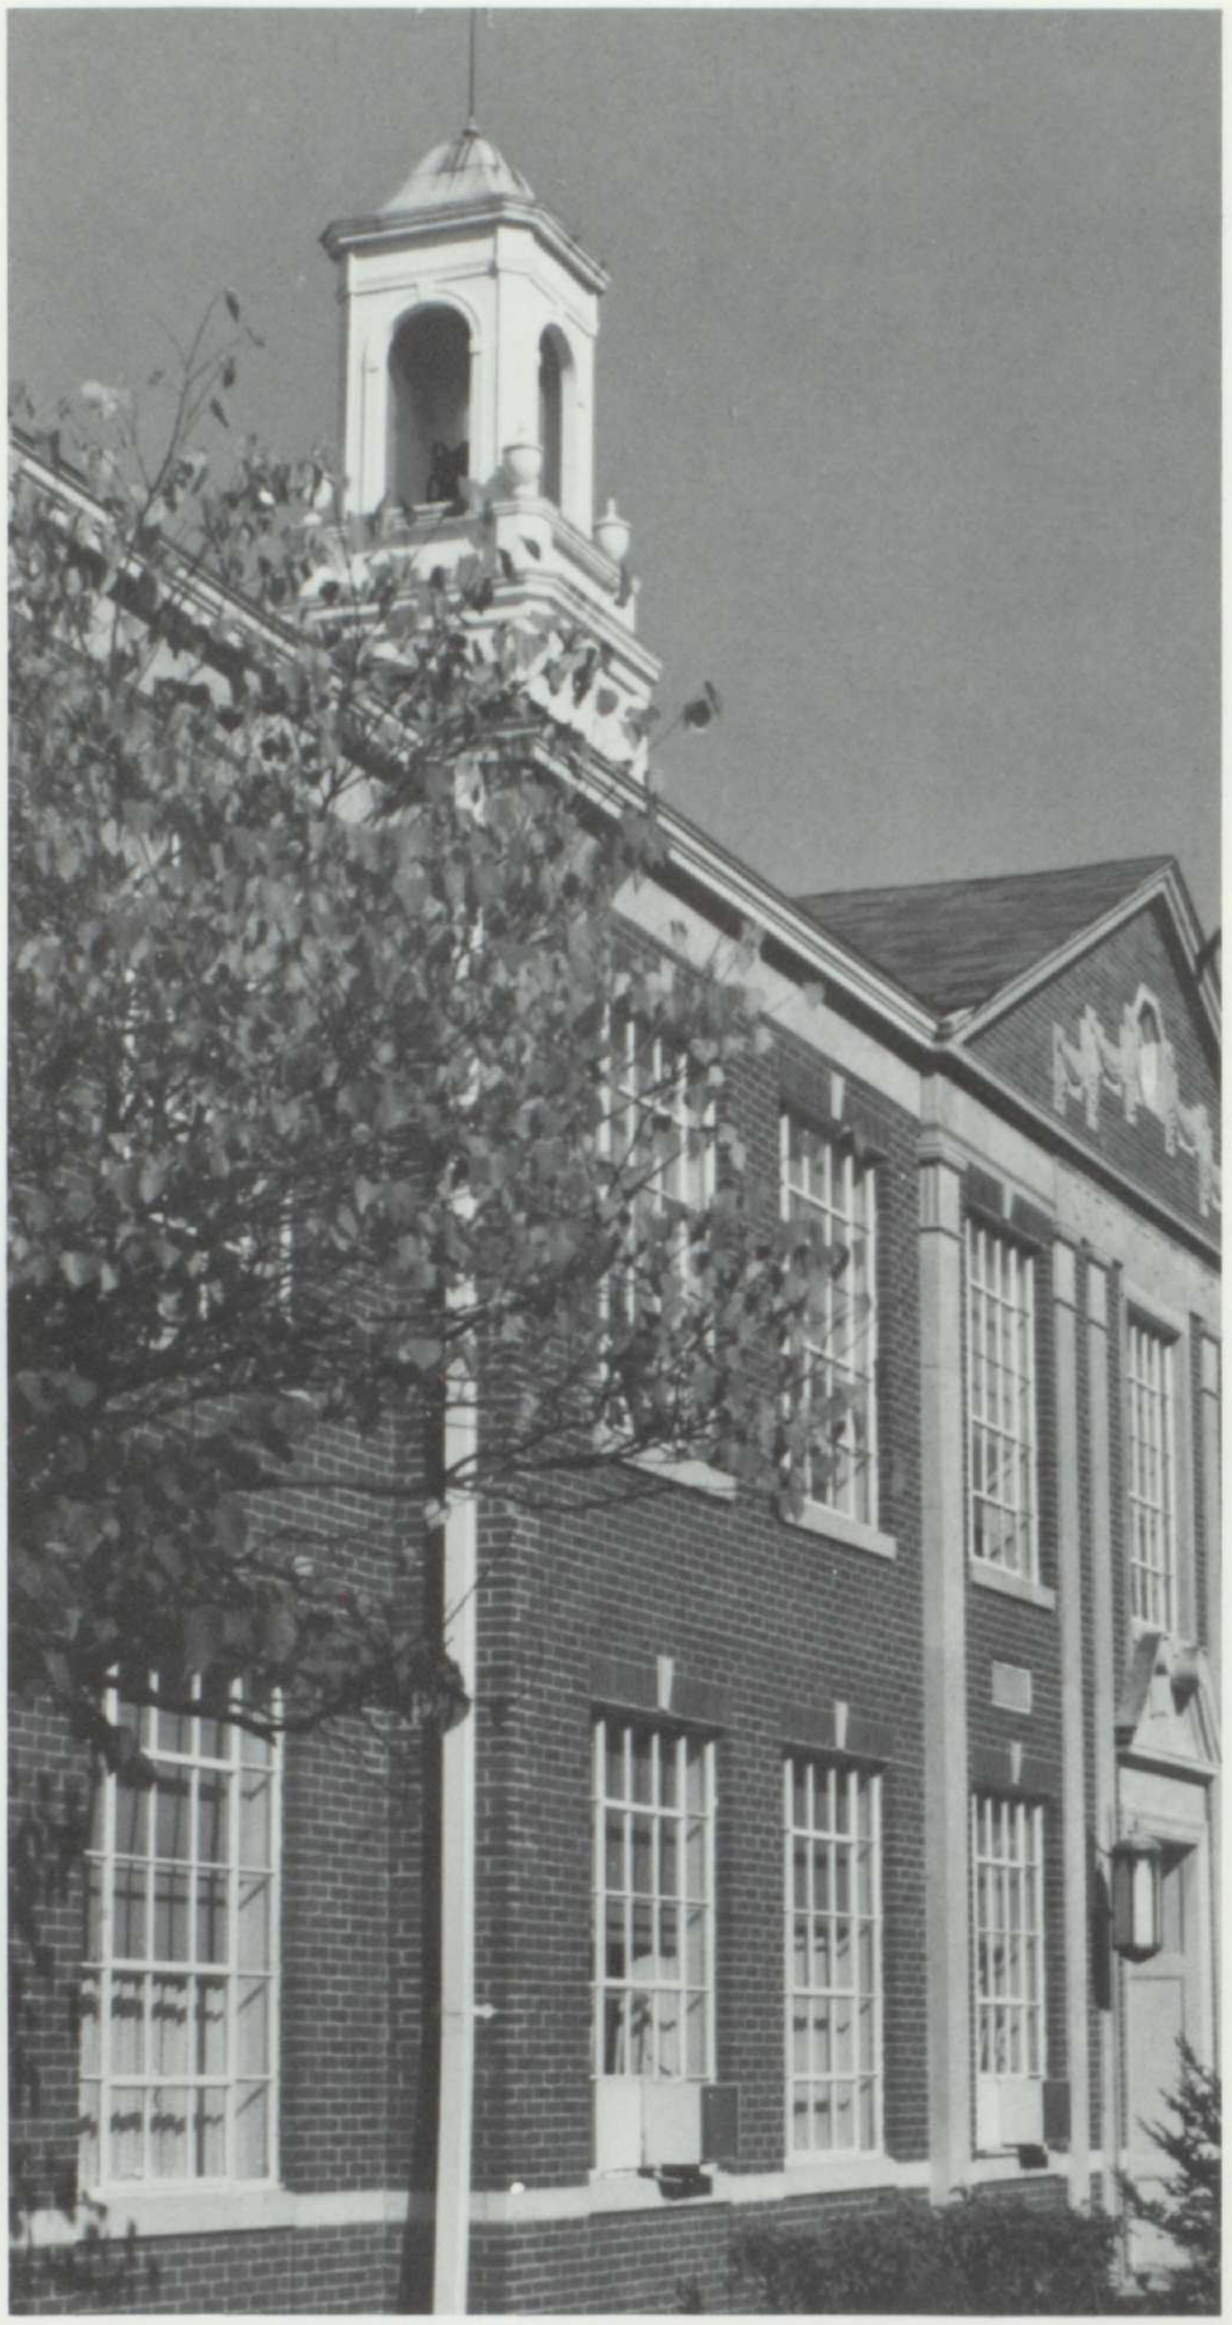
According to faculty as well as classmates, the students of WHS have many fine qualities. WHS students are spirited, crazy, studious, go-getting, positive, athletic, caring, involved, preppy, dedicated, enthusiastic, stylish, energetic, friendly, creative, sporty, ambitious, original, vogue, individualistic, aggressive, expanding, assertive, broad minded, cooperative, rowdy, unique, devoted, independent, and last but not least, proud. That they should be because they are part of the number one high school in central Ohio.





The strength of Worthington High School relies on its firm foundation which is student involvement. For this reason, Worthington High School not only forms a variety of academic courses, it offers a diversity of extracurricular activities. Consequently, the school's extracurricular program is well equippped to satisfy the personalities, interests, and needs of a wide range of students. Students are encouraged to get involved, support fellow classmates, and show school spirit. Whether a student seeks a physical or intellectual challenge, the opportunity is everpresent at Worthington High School.





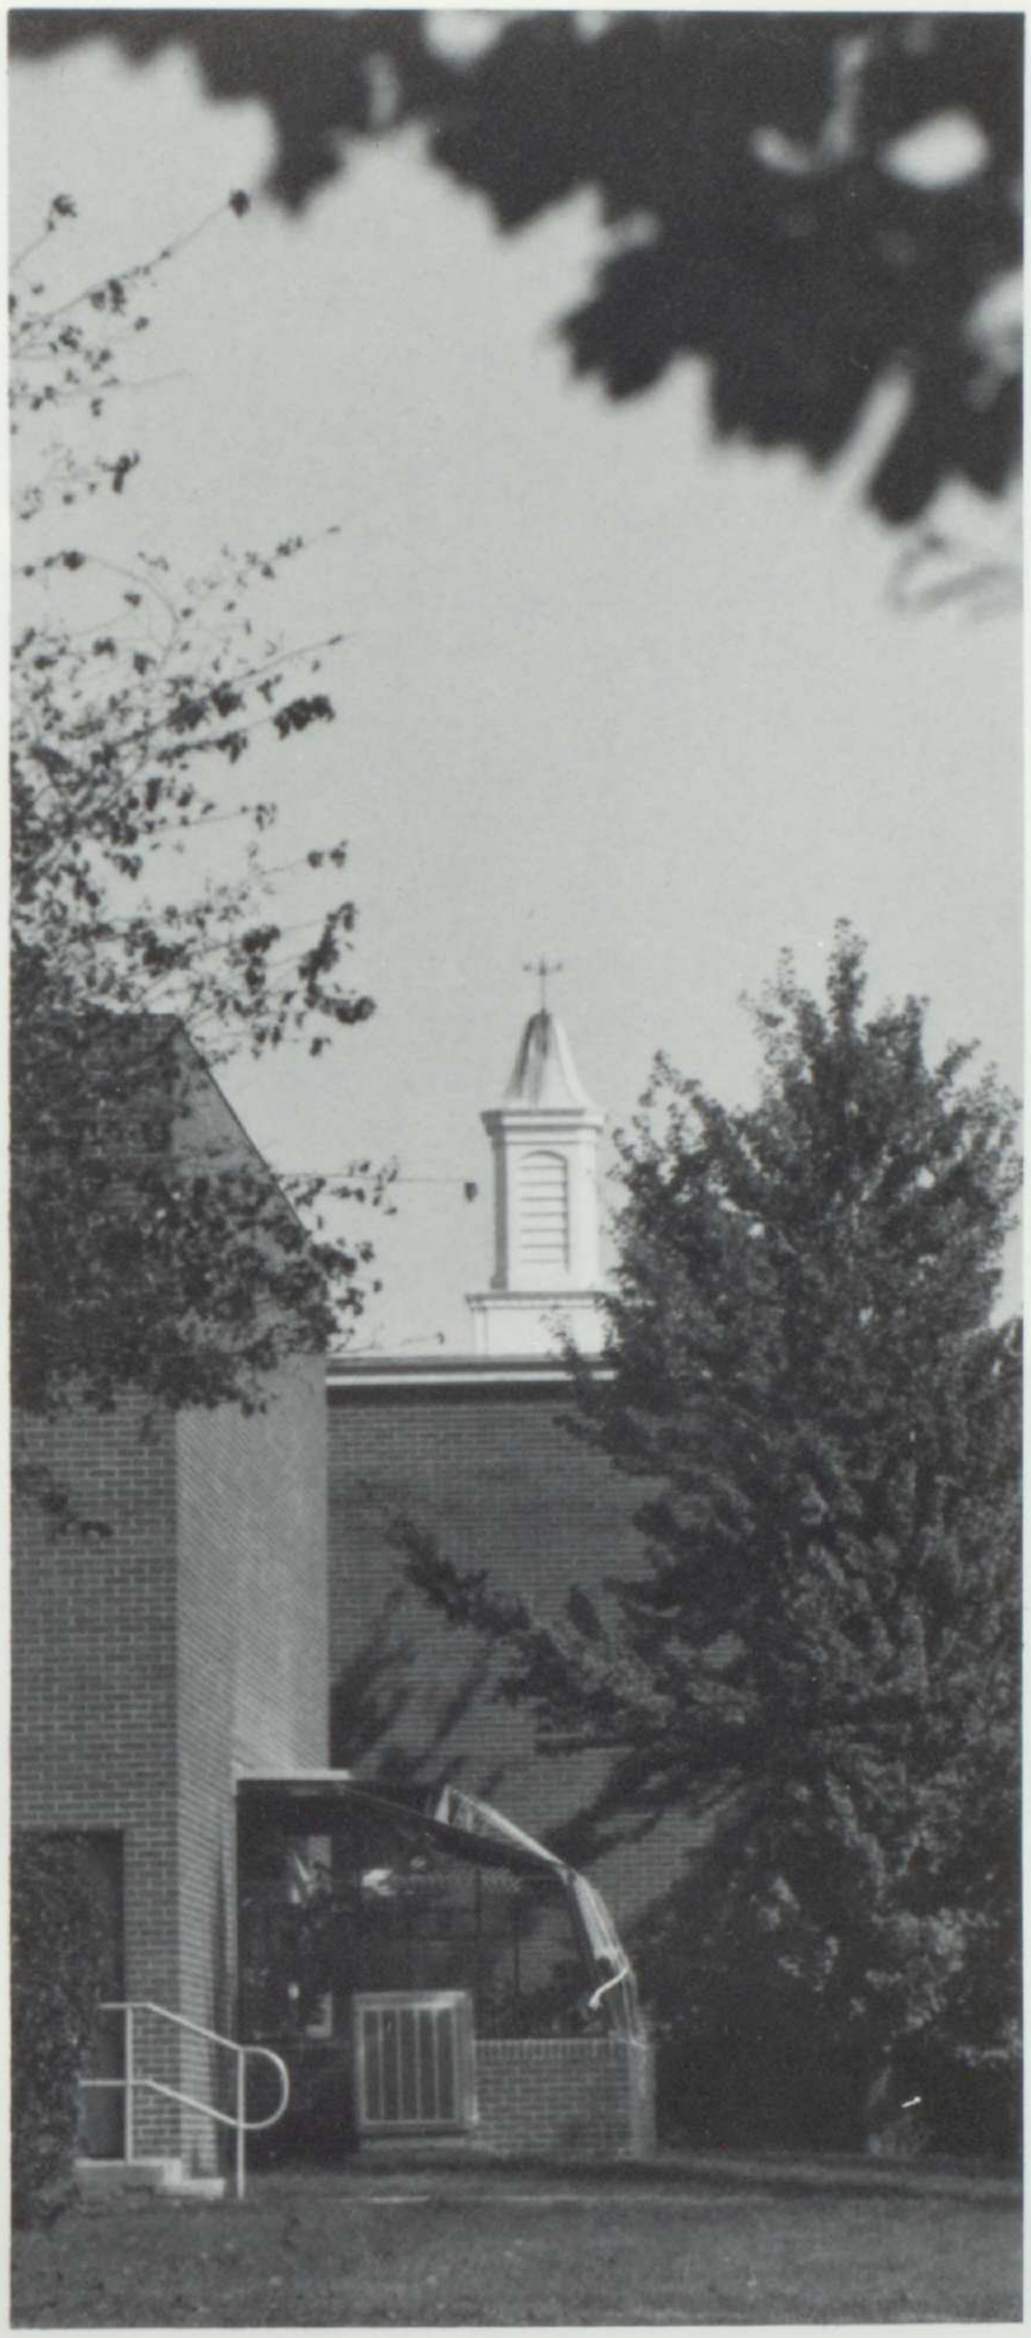
From the moment a student enters his freshman years, he becomes aware of the closeness and togetherness of the three campuses that make Worthington High School outstanding in structure.

Kilbourne campus, housing between 500 and 600 students, is located a half mile east of the main campus buildings. The seperation of the ninth grade is in reality a joining of two middle schools. It provides an opportunity for each class to form its own identity and character before entering classes with the sophomore, juniors, and seniors.

Linworth campus, comprised of 150 students ranging from ninth grade to twelfth grade, is the only alternative program in the Columbus suburban area. Once an elemenary building, Linworth is situated between Olentangy River Road and Linworth Road off 161. The purpose of the campus is to provide a less structured educational atmosphere and bring in a family style environment. The campus government is democratically run, featuring the town meeting once a week for students to provide input into their academic structure.

Main campus, consisting of two buildings and three wings, houses more than 1500 students. With over 100 faculty members, there are a variety of classes offered to cater to the college bound student as well as the future homemaker.

The uniqueness of the three campuses brings them closer. A student can fulfill his goals in numerous ways. The three campuses work together to form a whole that enable Worthington can be proud of Worthington High School.



EVENTS

Can one madwoman really alter the fate of mankind? Without a doubt this year's fall play, "The Madwoman of Chaillot' sets out to prove this true.

The play opens in a small cafe in Paris. As the people are laughing and carrying on the evil people of the world plan to blow up Paris. The Madwoman of Chaillot (Lisa Davidson) arrives on the scene with a mime and Pierre (John Ward) informs her of the evil people's scheme.

Aurelia (Lisa Davidson) calls the sewerman (Troy McDonald), to show her the entrance to Hell so she can rid the world of the evil people. Aurelia's friends, Constance (Judy Blackmore), Gabrille (Kelly Hunt), and Josephine (Jennifer Clement), come and discuss the whole situation with her. Finally a trial is decided on and the rag-picker (Mike King) defends the evil people. After being found guilty, the evil people are tricked into going down to hell. Miraculously the world becomes bright and cheerful, birds fill the air with song, and love is all around.

This play is one of words and culture. Through the innovative thoughts and industrious efforts of Mrs. Hopton, Chris Lau, Mr. Scowden, Miss Hottenroth and Karen Sidar this year's play was a great success and enjoyed by all those involved.

Madwoman Helps To Save Mankind

Conrad Birdie (Dave Dunham), the rock and roll star that was drafted into the Army, was to come to Sweetapple, Ohio to give Kim McAfee (Pam Bailey) the "last kiss" before he shipped off. This brilliant idea was created by Conrad's manager Albert Peterson (Rich Greene), and his secretary, Rose Alverez (Lynn McNabb). Miss Alveres had other plans for Albert — like marriage. She wanted to become "Mrs. Albert Peterson, the English teacher's wife."

The story centers around the mischief Kim McAfee and her friends get involved in while Conrad is in their town.

"We Love You Conrad Oh Yes We Do . . ."

This years the Thespians have produced an originial children's play by Larry Pfeil, a Worthington Senior. *Magic Around Us* has two main casts and three choruses, enabling more students to participate. The show travels to all the Worthington area elementary schools from May 5 to May 13 giving two or three performances a day at each school.

As with all children's plays produced at Worthington, *Magic Around Us* was a musical. David Brown, 1981 Worthington graduate, wrote the original score. The play was the culmination of 18 months of work by both David and Larry.

Bianually, the Worthington High School Auditorium is converted into a courtroom, and the Mock Trials are presented by Shirley Nault's personal law classes.

The anxious participants are elected by their classmates and receive the case one week before the trials are to begin.

Then, the lawyers, defendants, plaintiffs, witnesses, and judges dig through research materials at the O.S.U. Law Library preparing to present the case before an auditorium of noted dignitaries from the community as well as their peers.

Student body jury members listen objectively to the facts of civil suits, and dutifully present a verdict as another year of Mock Trials is adjourned.

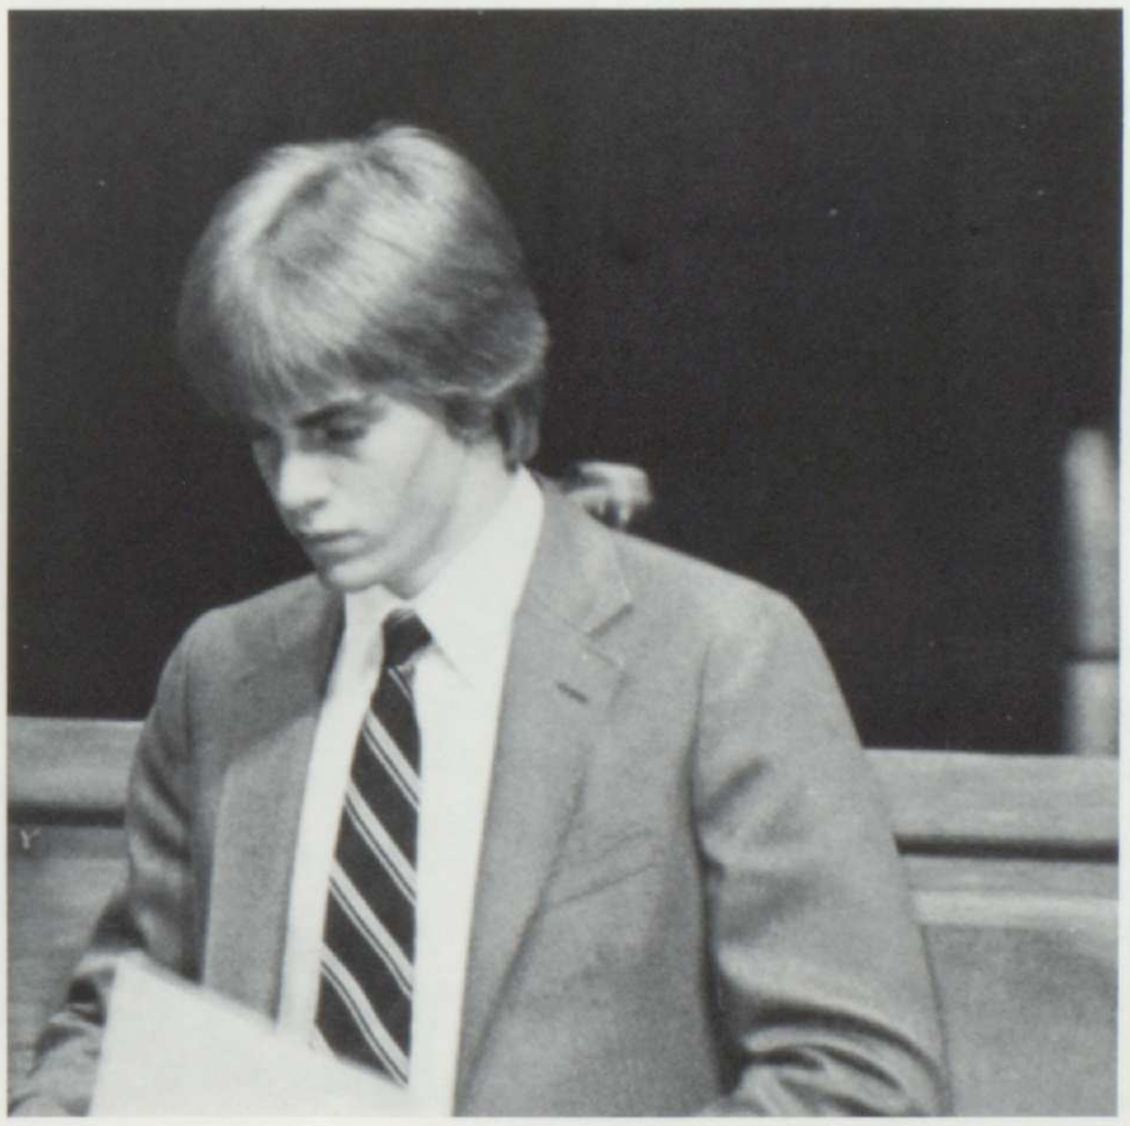
Opposite Bottom: "Well, I wonder if I did good enough?"

Justice Reigns Once Again



What is a great way to make money for your organization? The Winter Carnival is of course. Many clubs and classes increased their treasuries.

The Winter Carnival was once again a huge success. It was held on February 5 from 1-4 p.m., with over 15 clubs and 21 booths. Clowns, popcorn, and even goldfish were on hand for the youngsters to enjoy. Sponsored by Student Council, the turnout was overwhelming.

Traditionally, the Winter Carnival is one of the many ways clubs and organizations can keep money rolling in and have fun at the same time.

1983 France-U.S. Exchange Was Great

For the fourth year Worthington High School has taken part in a high school exchange program with Caen France. Each student is placed with a French family. The Americans leave for France in early February and are there for three weeks. The students begin their travel with a four day stay in Paris. Then it is off to Caen by train to meet the French families they will live with. While in Caen, the Americans attend high school with their host students. During April the French students come to America and spend three days in New York City before coming to Worthington. Many activities along with visits to local points of interest are planned. Among all of those participating this year, the opinion was unanimous; the Worthington-Caen exchange had been a great success once again.

Academics Are Honored

The spring of 1983 marked the 23rd annual Academic Honors Awards. Seniors, Juniors, and Sophomores who have received a 3.5 accumulative grade point for 3, 5, or 7 semesters respectively, were invited to attend the Honor's Banquet.

The banquet was comprised of special guests, parents, and honored students. Dinner was served in the One Union Ballroom. The guest speaker, Lou Briggs entertained parents, administrators, and students on what the future holds. The banquet ended with the presentation of keys. Following was the traditional stroll to McDonald's.

In Germany it is called Oktober fest. We call it Homecoming. This year's fall festivities centered around the German theme of an Oktoberfest. What a perfect way to celebrate the fall festivities. It started with the traditional pep rally which featured the bonfire. Then came the pre-game fun of floats and spirited music. The senior float took first place while the WHS marching band provided peppy music.

Even though the football game did not go as well as expected, the Worthington spirit was ever present. Kathy Junk was named Homecoming Queen and was backed by her court: Janine Meadors, Libby Harding, Tina Garbin, and Amy Peery.

The dance Saturday night ended the week of celebration and fall fun.

The Halls Were Decked With Holly

As Mother Nature touched off December with unseasonably warm weather, Worthington High School decked the halls with boughs of holly in preparation of the Winter Dance.

Dick Tracey, the band, provided music that filled the gymnasium with song and dance.

This year's Winter King and Queen were announced at the dance. Greg Brennen and Courtney DeSando wore their crowns as they reigned over the winter festivities.

The King's and Queen's courts were nominated by the entire student body with the top five guys and gals being selected as the courts. The King's court consisted of Ron Corey, Tom Foster, Ken Kaplan, and Judd Rupp. The Queen's court consisted of Lisa Young, Korey Kerscher, Stephanie Merrick, and Jody McFarland.

Top Left: Anxious party goers display their outfits that come straight from Paris.

Top Right: Courtney DeSando and Greg Brennan, Queen and King, proudly reign over the Winter dance.

Bottom: Be it the music or the weather, all were in good spirits.

Love tipped off the annual Valentine's dance. As in past years, the dance was a Sadie Hawkins so the girls would have a chance to ask that one special guy they have had their eyes on. Doug Lyles was crowned King of Hearts as the guests danced the night away with each other's hearts in mind.

The 1983 Junior-Senior prom was held at the Aladdin Temple Shrine on May 28, 1983. This year's junior class raised over $5000 for the annual event.

"Two tickets to Paradise" was the theme of the prom. The tropical decor consisted of palm fronds, tropical flowers, and palm fern rope. Featured was an extremely elaborate dessert buffet consisting of pies, cakes, cookies, and mousses.

The bands was The Majestics. They played all different types of music in order to please everyone. The hard work of prom chairman Jane Hobart, and committee leaders Deanne Sunday, Tammi Jones, Beth Cherwinski, along with the rest of the prom committee, have helped to make this year's prom a night to remember for all.

"Liberty and justice for all" rings through the halls of Worthington High School. The student council of WHS provides democracy within the school. They are the government of representatives for the student body. Sponsoring dances, informing students of the concerns of the administration, and reconstructing rules and regulations for the better of all considered are just a few of the many activities and goals of student council. They are the structural bond between students and the administration.

Marchers Entertain Fans

With bright white spats and cue-tipped hats the band takes the field. Drum major Mitch Grimm sounds the whistle and the excitement begins. Under the direction of Jay Moyer and Leslie Loomis, the band was challenged and took on many new routines. The season started out with two weeks of band camp where the fundamentals were taught. After school started the band and drill team practiced everyday after school for the Friday night preformances. The marching band along with the majorettes and drill team provided a large part of the enthusiasm as well as entertainment for the Friday night games.

They Cheer Them

Backing up the Cardinal athletic teams is the sole purpose of these dedicated girls. Spirit boxes, locker signs, fund raisers, banquets, and Senior scrapbooks are only a few of the ways the clubs show their support. Attending the games with many cheers and lots of enthusiasm, the girls follow their favorite athletes to victory or comfort them in defeat. Support clubs on this page are Gymnastics Club, Cardinal Club, Basketball Club, and Soccer Club.

LaCrosse has become an increasingly popular sport at WHS. LaCrosse is the only native American sport and WHS prides itself with the honor to have a team.

WHS is also one of the only suburbian schools to have a LaCrosse Club. This is part of the reason it is not a varsity sport. Worthington Girl's and Boy's LaCrosse teams travel hundreds of miles to find competition in the Midwest. This year's teams enjoyed many victories for they took the MISL Championships.

Worthington High School features over a half dozen school-work programs. Each has a goal of placing the student in an environment he is likely to experience after high school.

Some clubs place students in clerical positions while others work to help the high school with janitorial jobs or running the school store and bagel shop. DECA students gain on the job experience by running YE OLDE SCHOOL STORE. They make out their own work schedules and take inventory of products all to better their service to the school.

Phoenix Keeps Students Informed

The Phoenix is the students' source of information from what people are doing for spring break to what is going on in up-town Worthington.

The staff is chosen from the journalism production classes first semester and second semester. There are sixteen staff positions and the advisor, J.R. Mansfield. First semester editor was Sarah Mathews, and Bryan Wang was the second semester editor.

This year the Phoenix added a new column entitled "The Inside View". This informs the students of school critisisms as well as complements.

Most importantly the Phoenix provides the students with up to date news as well as what might be in store for the future.

Language Barrier Broken

Many of the students at Worthington High School have broken the language barrier. Students are into other languages, some trilingual as well as bilingual. The foreign languages offered at WHS include Spanish, French, German, Russian, and Latin. Along with daily class, extra activities are available. Foreign exchange programs, banquets with authentic dishes from different countries, dancing, and field trips are only a few of the ways students can help better their language ability and have fun. One might say it is "magnifique."

We Cheer Them On

From Friday night fall football to mid-week basketball, the cheerleading squads are always there to cheer on the teams and get the crowd involved. The squads range from freshmen to seniors who support Freshmen, Junior Varsity, and Varsity football and basketball team throughout the year. Each squad averages eight hard working girls. They make up their routines and practice for the games. This year, adding flair to their routines, the Junior Varsity and Varsity squads incorporated music into their routines to make the cheers special. The idea was well received as the fans danced with the cheerleaders to cheer the Cards on.

Singin' Cards Enhance WHS

The Worthington High School Vocal Music department is one of the finest. All of the choral groups; Mixed Choir, Treble Ensemble, Girl's Ensemble, and Mixed Ensemble are selected by audition only, therefore producing melodies of the highest calibar. Under the direction of Joel Haney, these choral groups preform for holiday festivities, community activities, and graduation. These dedicated singers are also responsible for the fine musicals produced each year. The department not only enhances the school but delivers a message of "Joy to the World."

Touchdown Football Football Football

The 1982 Worthington football team completed their season with a 5-5-0 record. This year's team was led by senior co-captains Tom Foster and Glenn Alban. At the beginning of the season, they showed their team spirit by getting their heads completely shaved.

This year's offensive squad was led by junior quarterback Lars Schmidt who will be back again in the 1983 season. Next year's team, however, will lose the guidance of a great coach. This year was Coach Mark Ellwood's last season.

The student body showed very strong support for its team. The newly formed Student and Senior sections were extremely appreciated by the students and the other spectators.

The boy's soccer team this year ended its season with a 10-3-1 record. The team, coached by Ed Shay, had its usual great year. The co-captains were Senior Ron Corey and Junior Matt Sobolewski. They led the team to a second place standing in the OCC. The team also finished as runner-up in the sectionals.

The team will lose many valuable seniors, but with the remaining players, they will again be at the top of the charts next year.

The girls' soccer team finished their season with an outstanding record of 9-3-1. They also took first place in the Worthington Invitational Tournament. The team was led by senior co-captains Jodi White, Valerie Holmes, and Patsy Brewton. The team had a vast mixture of seniors, juniors, and sophomores. Although they will lose eight seniors, there will be plenty of talent left behind to carry out another winning season.

Coach Herb Hoffmannbeck was the team's new coach. This is the fourth coach that the seniors on the team have played for. Hopefully, he will return next year and coach the team to more victories.

The team of nine varsity members will lose four of its seniors to graduation. Adam Sams, Richard Swanson, Scott Fisher, and Denis King are leaving, but left behind will be five experienced players.

First year coach Rick Redman commented that he was very pleased with the accomplishments the team had this year.

The girls tennis team concluded this year with a 15-3-0 record. Despite their losses to the Columbus School for Girls and rival Upper Arlington, they proved their strength throughout the season.

Although four of the varsity players will not return next year, the competition for filling these positions is challenging. In singles competition, Kristin Peterson, Michele Stephenitch, and Korey Kerscher played numbers one, two, and three respectively. Charline Evans and Ann Fisher played the number one position in doubles, while Debbie Lee and Nancy Brigner played number two. In OCC competition, the team finished as finalists in the Sectionals.

The men's gynnastics team started off this year's season with its main competition being injury, sickness, and lack of experience. There was much concern among the team after losing four strong seniors from the class of '82. The second year coach Marc Small turned out an outstanding team despite all of the obstacles.

This year's team was well-rounded, having each member competing in the state meet. In the state meet this year the Cards scored 111.94 points and turned in a respectible 8th place finish.

Although the senior leadership of Capt. Todd Price, Tim Willson, Paul Laws, and John Wogaman will be missed greatly next year, the Cards will be sure to keep up the running tradition fo winning.

The girls' gymnastics team had a good season this year. They sent Freshman Colleen Yakam to state to compete and she came back with a respectable eleventh place for her first year. There will be more action to come for her.

There are five seniors leaving the team this year, but there will be a lot of experienced members to return next year.

Diving Swimming Swimming

The boys' swim team again had an excellent winning season. The team record was 11-1-0 with their only loss being against Firestone. The team took second place in the District meet and third in the State meet. In the Districts, Tim Jurrs placed first in the 100-breast stroke; Matt Topper placed first in the 200 and 100-freestyle; Craig Hummer placed first in the 200-IM; James Allen placed first in the 500-freestyle; and, James Fischer placed first in the diving competition. In the State meet, Tim Jurrs placed first in the 100-breast stroke. The team was directed by Coach Jerry Beaman.

First row: Mike Huff, Fred, Greg Russ, Jeff Atkinson, Mark Drotleff, Mike McGlenn, Jack Hoerner, Steven Sung. Second row: Jonathon Warnick, Jon McLaughlin, Dan Ersley, Craig Hummer, Matt Topper, Tim Jurrs, Craig Faircloth, Dave Greenlee, Brian Peticoles. The girls' swim team's season kept up again the standard of excellence held by Worthington swimmers for the past several years. Led by senior captains Lisa Hampshire and Leanne Lemerich, the team's record was 10-0-0, and they were district champs for yet another season.

At the District meet, Kelly Davis placed first in the 200-freestyle, Karen Taylor placed first in the 200-IM, Lisa Hampshire placed first in the 100-butterfly, Kelly Davis also placed first in the 500-freestyle. The 400-freestyle relay team consisting of Kelly Davis, Karen Taylor, Tracey Atkinson, and Mindy Morrow finished first, too.

Pinstling Wrestling Wrestling Wrestling

The muscle men of the wrestling team completed their season with a 10-3-0 record. In order to be on the wrestling team, a member has to go through rigorous and disciplined training. They have to keep up their strength while at the same time keep in their weight class all season.

Under the direction of Coach Bukky, the team sent six members to the State meet: Andy Furnace, Tim DeWitt, Craig Bateman, Ron Garbo, John Lennon, and Kevin Hamilton. Andy, Craig, and Ron advanced after the first round competition and Andy also went on to capture fifth place out of 274 competitors in his weight class.

The season as a total was full of excitement and challenge.

Pitch

The boys' baseball team concluded their season with a 16-5-0 record. The team was very young with few members returning from last year's varsity team. This left an inexperience team for Coach Cozze to mold and shape, but with the previous coachings of J.V. Coach Van Arsdall, a lot of the work was already done.

The team sent Jay Marzano to the all-league team, with Joe Ford receiving an honorable mention. Jay Hammond and Mark Hertel made the all-district team, and Jay Hammond also made the state team.

The softball team picked some good numbers in the year 1983. A 12-2-0 record in the OCC was good enough to win the league title, a feat previously unaccomplished in the nine year history of softball at WHS.

The team's season was filled with adversity. The major problem the Cards had was finding a field suitable to play on. Due to all the rain during the season, the Flats became quite flooded.

Occasionally, the team had to do their own groundskeeping. Once they found a field, the Cards winning machine became hard to stop. They had a ten game winning streak at one point, went to the third round of the tournament before being defeated, and finished the season with an overall record of 15-4-0.

The team will lose four seniors to graduation: Lynn Steele, Kristin Johnson, Lisa Burns, and Lee Millward.

THE 1982-83 BOY'S TRACK TEAM

The 1982-83 boys' track team had a very good season winning six of its eight dual meets and placing mostly second in most invitationals and relays.

The team sent many individuals and teams to higher meets. Len Kemp, Hayden Humphery, Paul Linder, and the two-mile relay team of Matt Gabelman, Bryan Gissner, Jonathon Rompel, and Paul Turner (Bruce Whittaker) all went on to capture higher awards. Many of this years team will return next year for another season.

This year's girls' track team was one of great ability and accomplishment. Their record was 6-1-0 with their only loss being to rival Upper Arlington.

In the state meet this year, Allison Brewton took third place in the high jump, Sarah Wilson took fifteenth in the discus, and the 1600 meter relay team of Juli Justice, Kathy Poss, Kristin Daum, and Michele St. Pierre took fifth place.

Eighteen team members lettered this year, and only three of them are graduating. The girls voted their teammates on different catagories at the end of the season. The Most Valuable award went to Michele St. Pierre, Most Dedicated award to Kathy Poss, Most Improved to Sarah Wilson, and the Outstanding Sportsmanship award to Yvon Bryant.

Worthington High School has a very special person working in the building. She helps out in the areas of senior commencement, academic honors, scheduling the gym for dances, student council elections, winter carnival, the musicals, approval of daily announcements, and clubs to list a few. You're probably thinking this lady is a pretty special part that makes this school roll and you're right. Her name is Miss Elaine Hottenroth and she is our Activities Director. She has been at the high school for 22 years and has held this position for the last thirteen years. Miss. Hottenroth feels that although her job is a huge responsibility, direct contact with the student body makes it all worth it. To hold this position, one must be a person all of WHS can depend on and we have obviously found just that person. The CARDINAL would like to say on be-half of everyone here, thanks for helping to make WHS the BEST!

A fresh face came to the East Unit office at Worthington High School this year. Mrs. Colleen Grube became one of the East Unit secretaries. Mrs. Grube moved to Worthington from North Canton, Ohio, where she was a secretary at the North Canton High School. When asked why she chose our school, Mrs. Grube said that everyone she had talked to had told her that Worthington has great schools. The main reason that Mrs. Grube chose to work as a high school secretary again is that she loves being near kids in general and more particularly, teenagers. We all come in contact with the school secretaries and all of us in East are glad that Mrs. Grube has joined up with us. She is one of the many who deserves a round of applause.

Many of the Worthington High School staff members have been here for quite a few years and have a great deal of experience. Dru Alexander is certainly no exception, for she has been a secretary in the West Unit office for 13 years and loves it. She feels that what has kept her here for so long is the fact that WHS is filled with fantastic students. The most important thing to her is to try to welcome everyone into the West Unit office with a friendly smile and a big, "Hi, what can I do for you?" Personally, Mrs. Alexander finds much satisfaction when a student refers to her as "mom" or greets her as they would their best friend. She welcomes everyone to stop by once in a while if for nothing else to just say "Hello."

For the last two years Kilbourne has had an active parent volunteer group involved in the school. Last year, Ron Porta, the principal asked parents of ninth graders if they would be interested in helping out in various ways throughout the school. The response was overwhelming. The parents provide many necessary services and have had a major impact on the school climate. Included among the services these volunteers have performed are working as library and school office aides; as cafeteria supervisor: as chaperones; and as special events planners and workers for the ninth grade party. This year over 100 parents were involved in planning the "Kilbourne Goes Hawaiian" party. Mr. Porta says, "Students, staff, and parents all tend to benefit from the parents' presence at school."

Mrs. Barbara Laird at the Alternative School holds a challenging position; she is the Teacher-Director. The reason Mrs. Laird is called the teacher-director is that while being the director of the school she is also a teacher in the area of social studies. She usually teaches World History I and II and economics. She has held this position for five years now and feels it is the best job in the entire district. When asked why she likes her job she replied, "It's so different because staff, students, and myself make the important decisions about such things as curriculum and activities."

The class of 1985 has become the last class to take Composition I as a required course. The Worthington school board feels that students should learn better writing skills. As a result, a new course will be facing the entire class of 1986 called English II. This will be a one year course. While the school board feels that this course will be beneficial to the sophomores, many others feel that this may not be the case. Many believe that it is more beneficial to the students to be exposed to more than one teacher because each teacher stresses different areas. Also several English electives are in jeopardy now because of lack of enrollment. Hopefully this new course will be a benefit to the class of 1986 and future classes.

It is often said that for those of us who know more than one language that the opportunities are limitless. Worthington High School has known this fact for many years and has done everything in its power to make foreign language available to its students. At the current time, students here at Worthington can take French, Spanish, Russian, German, and Latin. According to several of the foreign language teachers, enrolement is increasing greatly. School guidance counselors also agree that foreign language is a good idea for most students because more and more colleges across the nation are asking that students have had at least two years of a language before entrance. Another important reason for foreign language is understanding the culture and viewpoints of other peoples. Worthington High School is also one of the few high schools in this area that can boast of a foreign exchange program for those students taking French. The exchange is of course with a city in France. For those of you who haven't taken any foreign language, you might just want to think about it.

Thanks to the Worthington School Board and the high school administration, Worthington High School is now one of the many schools throughout the state of Ohio with a senior placement math course. During the fall all Juniors take the OSU placement test. Upon looking at the scores, those who it appears may have to take remedial math at OSU are recommended to take this one year course as a Senior. The idea is to do the remedial work as a Senior rather than have to pay to take remedial courses with no credit in college. The class is like Algebra II, but it has been stressed that this class is not a review. The class does quite a bit of homework, but TI-30 calculators are used which cut down on time. Mr. Holl, the senior placement math teacher believes the attitude in class this year was excellent and the program has been a major success.

Many of us have often thought that it would be great to take a course where we could live with friends, learn in a hands on environment, and have great time too. If you think this is impossible, how wrong you are! The Worthington Field Studies, Inc. has been operating two Summer Field Ecology courses now since 1968. The ideas of these courses are to provide students with the great opportunity to learn about their natural environment through direct field experiences; to provide the structure for developing an intensive, field study program with competent leadership; and to meet others. The first trip goes Northwest and students will visit such places as the Rocky Mountain National Park, Teton National Park and Yellowstone. The Southwest trip is conducted every other year and some of the places visited are Colorado and the Grand Canyon. All students live in tents and cook their food on both trips.

Participants are expected to maintain a notebook reflecting their experiences, as well as the responses to a series of problems presented enroute by the instructor. One credit may be earned.

Something has been quietly taking place for five years now in the Social Studies Department. One lone man, Mr. Walter, who teaches U.S. History and Government, has put himself out on a limb, open to ridicule, because he has a basic history and government test which all his students must pass if they want full credit for his course. It should be noted that all Juniors must take this course and receive a full credit. Students have three tries to earn at least 70 percent on this test. The test questions are exactly the same each time. When asked why he gives the test, Mr. Walter gave several reasons. Kids can actually see their growth. It lets the teachers know if ideas are coming across and he wants to be sure that all of his students leave high school with a basic understanding of U.S. History and Government. If this basic understanding can't be shown, then the student must retake either four weeks of summer school or one semester of his Senior year to receive the other half credit to graduate. Unfortunately Mr. Walter believes that his day of a basic test in all U.S. History and Government classes is, "a long way off."

Miss Jennifer Elin and Mr. Jerry Baker have a team-teaching kind of physical education class which seems to work quite well. The two work and get along great which is necessary for a successful program. Activities are decided through what has been successful, student surveys, and what types of activities are current and popular. They feel that they have achieved a good balance between co-ed activities along with separate units for boys and girls. Students keep a notebook of handouts, take a comprehensive final exam and have a written project, and for this reason they feel gym should be counted in the student's grade point average. They look forward to the day that gym is a four year requirement.

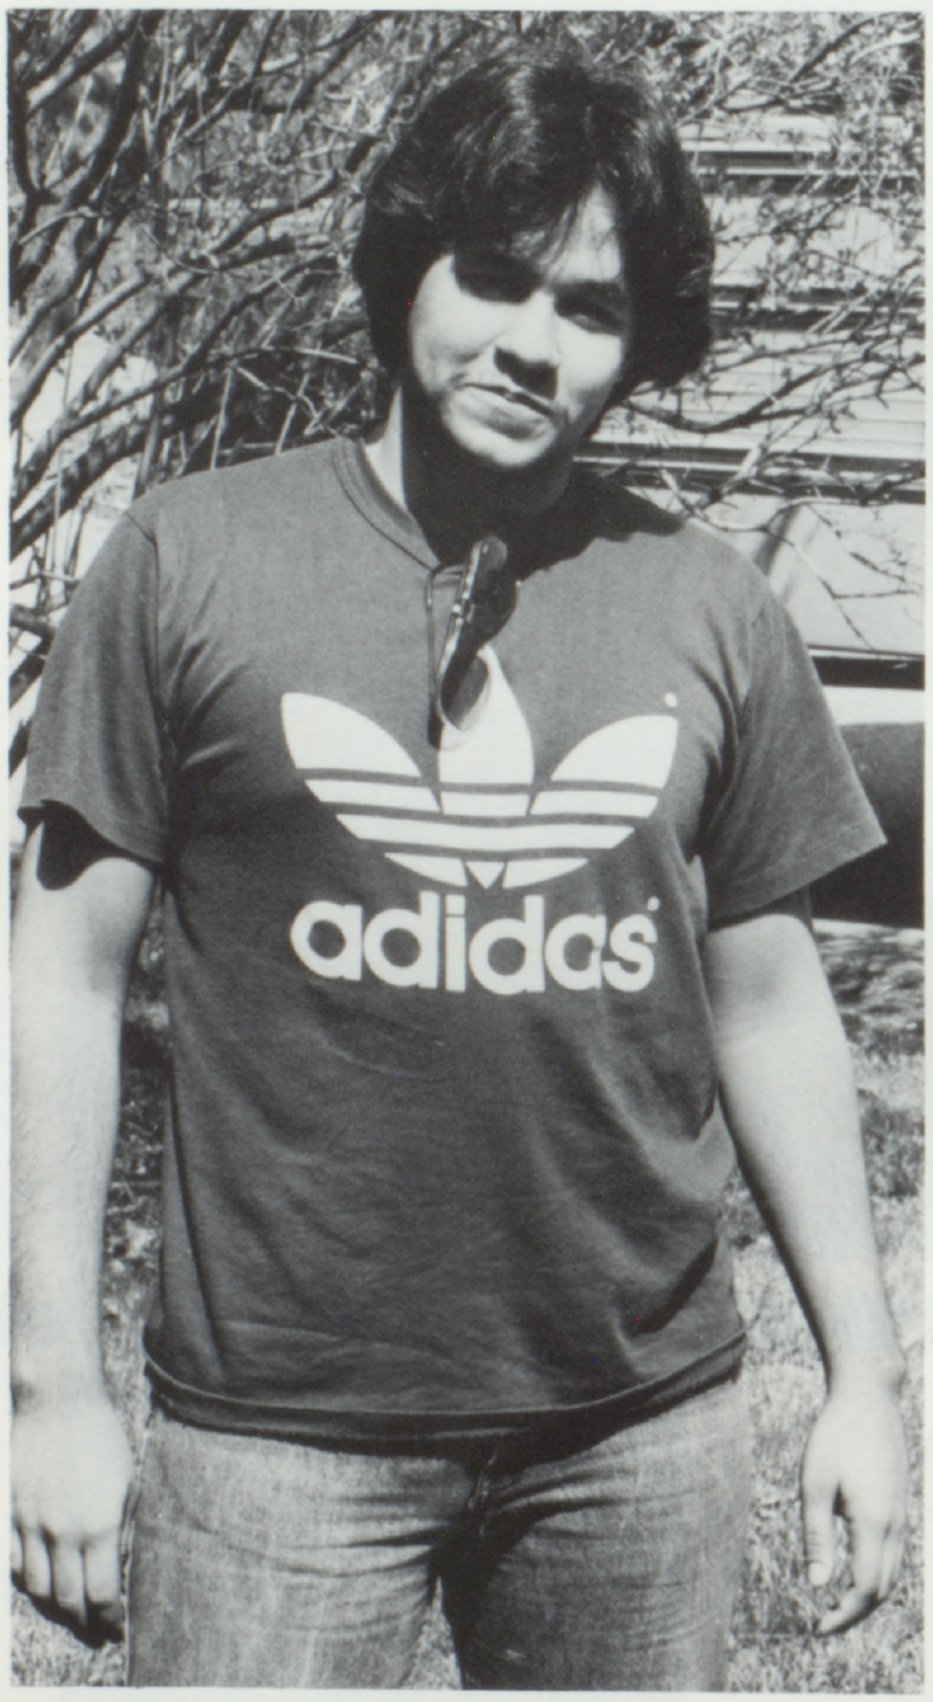
AP
Alternative Program



Although the Alternative Program's Linworth campus is separate from Main campus, it is an integral part of Worthington High School. It shares the same school spirit, pride, and identity as Kilbourne and Main campus. At the same time, however, the AP campus possesses a more relaxed and independent environment. Students believe in a self-motivated, self-directed, and self-structured learning, rather than a conventional and dependent education.

Contrary to the AP student stereotype, people choose to attend the Linworth campus for a variety of reasons: smaller school setting, more individual attention, different learning style, or flexible schedule. The unique qualities of this campus are conducive to a high level of achievement and motivation.

Not only is the Linworth campus respected for its degree of talent and intelligence, it is recognized for its highlight of yearly events. In November, AP students and their family plan a chili supper. During May, parents have a yard sale, paper drive, bake sale, and May Pole dance. The Linworth campus proves itself to be an unique as well as a significant part of Worthington High School.

Jennifer Singer and Paul Miller find class amusing.

Come here and tell me if this is real food.

TWKB —
The traditional "Ten Man Kazoo Band" has taken a new form, the "Ten Woman Kazoo Band." Even though they were not a legitimate club, 30 or 40 spirit raising Senior girls wore their T-shirts to every football game to cheer on the Cards.

World Humanities —
The World Humanities class is a double period course which consists mainly of seniors. This group of 30 or more students is team taught by Mrs. Frank and Mr. Snouffer.

SENIORS

The Gang's all here: Margaret Brown, Sherri Hansen, Korey Kerscher, Martha Jacobs and Karen Immel.

Jill Bookhout plays a solo during band.

When one reflects upon the high school years, there are some memories of the freshman, sophomore and junior years but it is the senior year which will stand out as the most memorable. Just as the cliche says, "The best always comes last!" The Seniors of "'83 — the Class to be" proved that they were the class with spirit, tradition, and distinction.

With much enthusiasm and dedication, the Seniors built the 1982 Homecoming float which won first place. The project was a class effort, and it showed the growing potential of the '83 Seniors as number one. The Class of '83 was a class teeming with spirit. Not only did they outnumber the freshmen, sophomores, and juniors in spirit-links, but they also out cheered them at pep rallies and football games.

Because the Seniors strictly abide by tradition, they made sure each Worthington High School ritual was observed. Senior cut day and the inevitable plague of Senioritis naturally followed. On the 83rd day before graduation, the Seniors celebrated with a class countdown dinner.

Being a Senior brought with it many honorary privileges and distinctions. Although the Senior Hallway had been anulled for the Class of '82, the Class of '83 brought it back. Having a Senior section in the halls, cafeteria, and football stands was just one of the advantages of being a Senior. In addition, Prom, which was the ultimate dance of the year, was a special time for the graduation Class of '83.

In retrospect, no words can sufficiently describe the excitement and anticipation felt during the Senior Year of '83. The fun time and the laughter will always best be relived in pictures and memories.

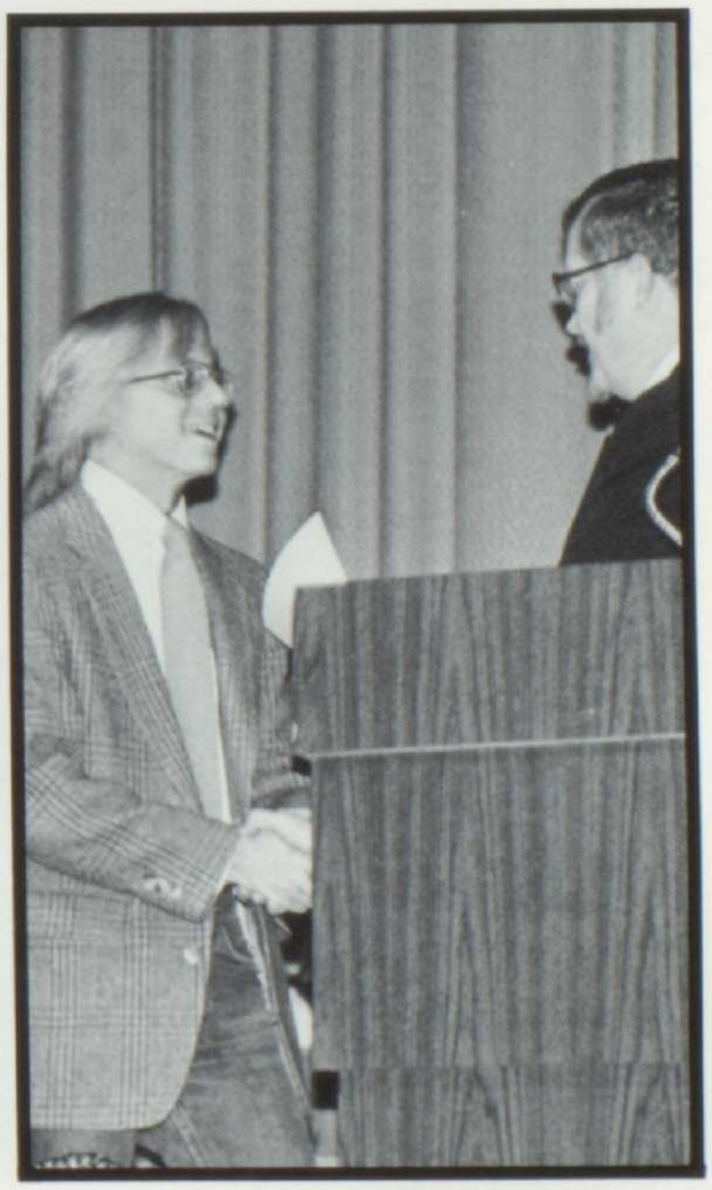
Congratulations!!



The 1983 graduation was held Tuesday, June 7, 1983 at Mershon Auditorium. 570 seniors participated in the ceremony, including nine 4.0 students. Mark Sutherland, president of the class of 1983, welcomed the class with the traditional opening presentation. The Worthington High School choir sung the National Anthem and "Old Irish Blessing," while the senior members of the choir sung "We've Only Just Begun." Following the program that was presented by the nine class members who have maintained a perfect 4-point grade point average throughout high school, the class was awarded their diplomas. The ceremony was concluded with a benediction, leaving the class of 1983 with many opportunities for a bright future.

The Mad Hungarian understands . . .

You need printing that looks good.
You have a deadline, and you have a budget.

We're #1 because we meet demands like yours everyday.

We can do it because we offer you a full range of pre-press, printing and bindery services.

Our equipment, experience & efficiency add up to savings of time and money on your order.

To us, our customer is #1.

We are available whenever you need us, even if you are not placing an order.

Some of our nicest customers are people other printers might call unreasonable, impossible or #&%*$!!

Bring us your printing. We care.

Drug and Alcohol Awareness Programs

These two groups are available to students at Kilbourne. They meet for one hour a week and each group is supervised by two staff members. Attendance is voluntary.

Discovery Group

This group provides an opportunity for students to talk confidentially about problems common to teens (peer pressure, school and family problems, relationships, ect . . .) The goal of the group is, through group support, for each member to feel that he/she is not alone with problems and to develop techniques for coping with and perhaps resolving these problems.

Support Group

This group provides an opportunity for students to talk confidentially about their use of drugs and the problems resulting from their use. The goal of the group is, through group support, for each member to work on a program of abstinence.

Good Luck
Class Of
1983

The four Seniors of the 1983 Yearbook Staff, Leslie Liming, Debbie Lee, Liz Selby, and Greg Brennan, would like to thank the following people who supported and aided us throughout the year; Mrs. Schoenhoff, 1983 Yearbook Staff members, Surburbian News, Mrs. Hottenroth, Miss Elin, Robin Fritts, Mr. Parker, Mr. Mansfield and the Phoenix Staff, Guy Danner, Steve Wursta, Mike Monte, Carolyn O'Leary, and Tad Buford. We had an enjoyable and memorable year while forming the 1983 Yearbook. We hope that the 1983 Cardinal Yearbook will be just as special to you as it is to us.
